It is the policy of Bournemouth RFC to use papers that are natural, renewable and recyclable and made from wood grown in sustainable forests. The logging and manufacturing processes are expected to conform to the environmental regulations in the country of origin.

There are two sister publications:

Almanac 2009/2010

A history (albeit incomplete) of all games played by the Bournemouth RFC 1st XV.

League Almanac 2009/2010

A history of all the league games played by the Bournemouth RFC 1st XV.

In the text where the names of players, their position and score are given, the player's position 1 to 15 (the modern numbering convention is used throughout whatever the era) is immediately behind the name delimited by a '/', e.g. AN Other/13. There are two variations to this general rule: Firstly, '/nC' indicates the player in position 'n' was captain. Secondly, '/Sn', '/Rn' or '/Bn' indicates the player 'came on' as a Substitute, Replacement or 'Blood' replacement in the position 'n'. Where the player's score follows it is delimited by a second '/' and is shown as t=try, c=conversion, p=penalty goal, d=drop goal, e.g. AN Other/7/t2c3p4d — assume one unless otherwise indicated. A new player this season is indicated by '†' and in an historical context that it was the player's first season. This convention is used in all three publications.

Introduction

Welcome to the Bournemouth Rugby Yearbook for the 2009/2010 season. My first paragraph of this Introduction is exactly the same as last season but what I said before remains true for this. May I also warn the reader, and thank you for getting this far, that the sentiments expressed are entirely the editor's and are do not necessarily reflect or even correspond to that of the club. The Yearbook has only appeared spasmodically over the years since my first attempt in 1991/1992, although I have now managed three successive years of publication, but I hope it will provide some sort of record of the past season. It is 1st XVcentric I'm afraid and you will have to forgive me for that but it mustn't be forgotten the contribution the remainder of the club; the lower sides in the seniors, the U17s/18s and the Youth & Mini Section, have made to the wellbeing and success of the club. For the 1st XV, with the reorganisation of the leagues, they had gone 'national' with South-West 1 now being designated National 3 South-West. This meant the introduction of bonus points, one for scoring four or more tries and one for losing by seven or less points. They weren't mutually exclusive either. In addition, four points were awarded for a win and two for a draw.

Someone summing up the season said it was like one's school report 'could do better'. To have finished fifth in this division and feel slightly disappointed is, I think, a reflection on how far we have come as a club. This was also reinforced by our outstanding performance against Swanage & Wareham in the Dorset & Wiltshire Final which simply reflected the gap between us and the local sides and for that matter further afield. We are now the only club in Dorset & Wiltshire playing at level 5.

We had a most intensive pre-season with four matches in August including a trip to Jersey, once a favourite pre-season fixture of the club back in the 50s, 1950s that is! However long trips to the likes of Nuneaton newly promoted to National League 1 (Level 3), the aforesaid Jersey who were to win National 3 London & SE and the biggest win we have ever enjoyed against Havant showed we could compete at this level, albeit in slightly artificial circumstances. The optimism was slightly dented by a last minute loss against newly relegated Chinnor in the first game. However we went down to Barnstaple the following week and got the 'show on the road, with a 17-10 win—our first against them at Pottington Road. However, the following week at Chapel Gate, we surrendered a 17-3 half-time lead to draw 20-20 at home against Exmouth. This was compounded by losing in the last minute in the return match by 10-13. Not good. A thumping win against Reading at Chapel Gate restored moral but we then lost three on the trot beginning with a 21-42 thumping at Redingensians. One might find excuses the

following week against high-flying Taunton but they bullied us in the second half after we had gone into the break 8-7 up. Then there was Coney Hill to complete the triumvirate. Metz Way? Not for the fainthearted! That little run dumped us down to 10th. We didn't lose for the next six matches, the winning streak marred by a 5-5 draw at Oxford Harlequins. The second successive season in which we only managed to score one try, both by Mike Pope as it happens, and where neither side scored in the second half. We came away wondering why we hadn't won. Two losses just before Christmas when Barnstaple gained revenge for their home reverse and that loss against Exmouth stalled proceedings leaving us sixth in the table before the Christmas break. We nilled Redingensians on a cold wet day in January and the following week acquitted ourselves very well at Taunton but still lost unfortunately although we came away with a try-scoring bonus points and a losing bonus point. We gained a hard-fought win against Coney Hill and then secured our first away win against Weston-super-Mare, certainly in the league, followed by thumping wins against doomed Maidenhead and Reading, where we rather bizarrely conceded three tries in as many minutes at the end of the game, which saw us rise to 4th. However successive defeats away to Old Patesians who gained revenge for their first loss of the season at Chapel Gate in November and at home to Oxford Harlequins when we felt we were 'robbed' but unfortunately the scoreboard is quite un sentimental. This dropped us to 5th. Our first ever win at Cleve in the league put us back up a place but despite a handsome home win against Chippenham we dropped a place to fifth. This left us with just an away match against fourth-placed Chinnor and, in arguably the most disappointing game of the season, we were out muscled up front and failed to swap places with them to finish that disappointing fifth.

In the absence of any national cup competitions it was the Dorset and Wiltshire Cup that leavened the playing season. We had a bye in the quarter-final but again, as last season we were away to Chippenham this time in the semi-final resulting in a similar convincing win. This set up, for the third successive season, a final between ourselves and Swanage & Wareham who were appearing in the final for the fifteenth successive season. A remarkable record! However, this time at Exmouth, we rather spoil their party by denying them the chance to get their hands on the cup for the third successive time but this time in much more convincing fashion compared to the previous efforts. The win meant that Bournemouth teams had secured all three senior County cups. Unprecedented! This was in addition to the U17s winning for the second successive year their county cup.

The seconds (Nomads) again had very difficult season but their win against Oakmeadians in the Dorset & Wiltshire 2nd Team Cup Final at Swanage & Wareham made up for much.

The Thirds finished first in Dorset & Wiltshire 2 South beating Sherborne on points difference. Sherborne had apparently won it but Salisbury were subsequently removed from the league and Sherborne's handsome win over them, where Bournemouth only secured a nil-nil walkover, was nullified leaving Bournemouth with that superior points difference. In the third of the county finals they beat a much revamped Salisbury with a last minute try by 'Piggy' as the scrum drove the Salisbury pack back and a vital conversion down at Swanage & Wareham.

For the first time in a number of years we fielded a regular fourth team who competed in Dorset & Wiltshire 3 South, finishing a very creditable third. Credit must go in particular to manager Simon Farrow and captain Craig Dean who worked so hard to make it work. Two who played for the team, Will Brooks and Ramon Mallette, also played for the firsts.

We again put a couple of teams into the Lytchett 7s. The second team were unlucky to go out in the knockout stages of the plate competition to a try that was scored beyond the dead ball line! However with a very fine display of committed 7s play the first team won the Cup competition, stunning a Rifles team by 7 tries to nil in a quite outstanding final. Scott Chislett scored four tries, part of a team that showed all the necessary attributes of skill, fitness, commitment, and aggressive defence that made them unstoppable.

During the season 1st XV Honours ties were awarded to Simon McFarlane and Mike Pope.

The Mini/Midi Tournament continues to be a great success and the separate Youth tournament staged on the Saturday continues to attract teams with the result that some 3,000 players were involved over the three days.

Bournemouth also were well represented in the Dorset & Wiltshire Senior XV competing in the County Championship Shield with eleven players in the squad. For the first time this competition was restricted to county teams made up of players who play no higher than Level 5 in the League. There were three pools of four teams the winners and best runners up going into a semi-final with the final being staged at Twickenham as a precursor to the England v Barbarians game on Sunday 30 May 2010. Having beaten, Berks, Bucks and Sussex in Pool 3, D&W beat Oxfordshire 38-10 in the semi-final on Saturday 22 May at Swanage & Wareham, Scott Chislett scoring a hat-trick and nominated 'Star Man' by The Rugby Paper. They went one better beating Leicestershire 36-26 in the final with Jo Burns, Scott Chislett and Mike Pope each scoring a try.

Sadly, however, we had to say 'goodbye' to JP. **Doug Warren, Editor**

2010 County Championship Shield Winners: Dorset & Wiltshire 36 v 26 Leicestershire

Team: Karim Lynch; Simon Lilley, Sherborne; Terry Gilmore, Salisbury; Scott Chislett/t; Mike Pope/t; Adam Westall/4cp, Swindon; Harvey Bell, Oakmeadians; Richard West, Salisbury; Fraser Wilford (c); Alan Manning; Matt Pallas, Salisbury; Liam Gilbert/t, Chinnor; Sean Barwick/t, Salisbury; James Stephenson, Wimborne; James Sanders, Ellingham & Ringwood.

Replacements: David Bell, Salisbury; Jo Burns/t; Tom Mannion, Swindon; James Mitchell, Oakmeadians; Tom Pottage, Salisbury; Michael Richards, Oakmeadians; Ben Saville, Swindon.

James Stephenson of Canford School unfortunately broke his jaw in the first few moments of the game and was taken to Chelsea Hospital for an operation. We wish him a speedy recovery coupled with the hope that it doesn't interfere with his A-level exams.

Being editor enables me to make subjective editorial decisions and I will take advantage of that to quote from the preview of the game in The Rugby Paper on the morning of the match. First the headline boldly declared "I'll have to calm my men down admits Leicestershire coach Walsh". Then from the body of the article, two quotes: "Leicestershire head coach Paul Walsh has warned Dorset & Wilts today's clash won't be for the faint hearted." and "I know a few will be nutting the changing room wall wanting to get out there so it might be a case of reeling them

in." I am now of course going to be mildly jingoistic and say first that the Leicestershire boys looked pretty calm after the match, subdued would perhaps be a better description! Secondly they didn't find the 'Dorset & Wilts' boys 'faint hearted' in their 'clash' and they were duly 'reeled in' by a terrific display of rugby football that was a testimony to what good football is played at the amateur level. As Bournemouth supporters, we can be justifiably proud of the contribution our boys made to a very fine team effort. Congratulations also to manager Hamish Morton and coach Si Culley who, with his team worked, so hard to pull it all together. An historic moment and a 'first' for Dorset & Wiltshire in their 61 year history.

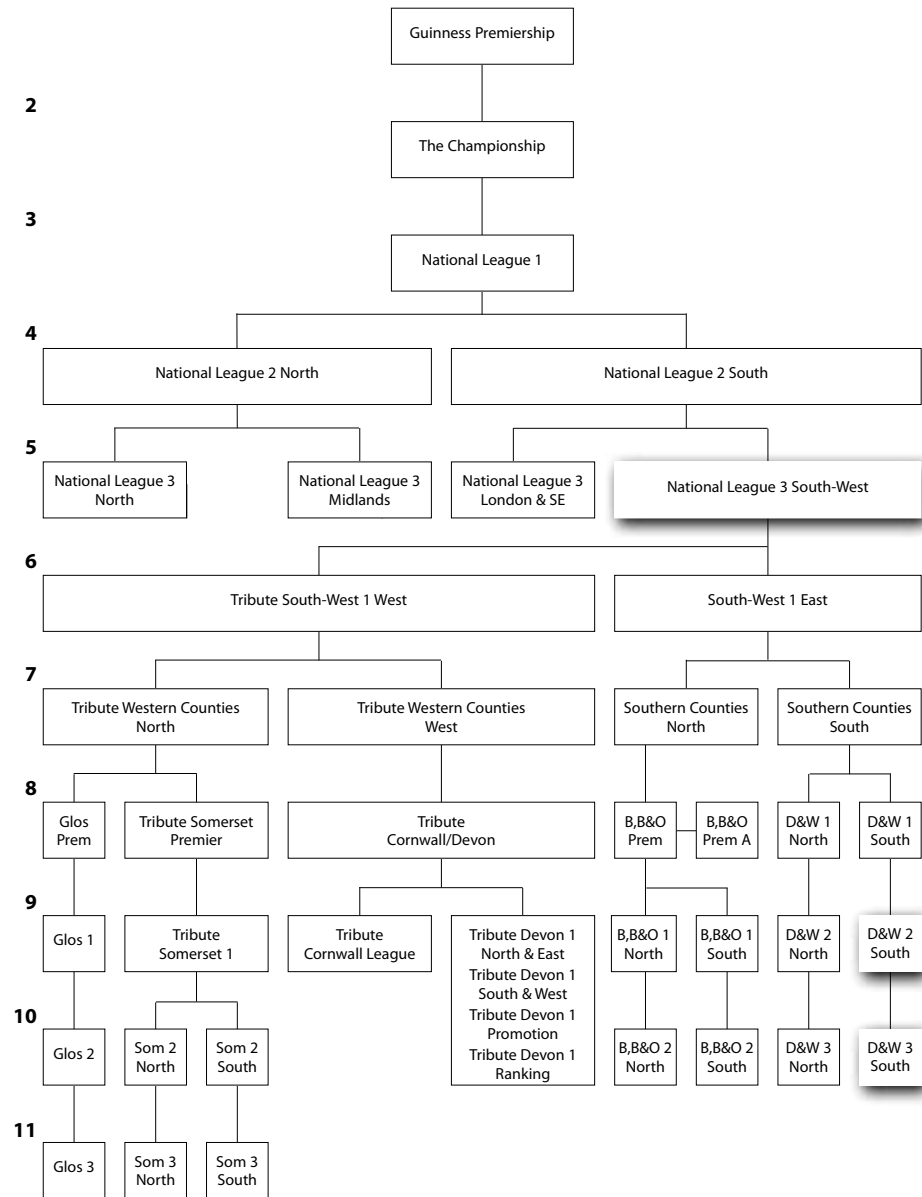

Doug Warren, Ed.
