There are two sister publications (equally indispensable to the committed Bournemouth fan!):

Almanac 2010/2011

A record, albeit incomplete, of all games played by the Bournemouth RFC 1st XV up to and including the season 2010/2011.

League Almanac 2010/2011

A record of all league games played by the Bournemouth RFC 1st XV up to and including the season 2010/2011.

In the text, the player's position and score are immediately behind his name, delimited by a pair of slashes (/). The position, 1-15, (the modern numbering convention is used throughout) is behind the first slash, e.g. AN Other/13. There are two variations to this general rule: Firstly, '/nC' indicates the player in position 'n' was captain. Secondly, '/Sn' or '/Rn' indicates the player 'came on' as a Substitute or Replacement in the position 'n'. The player's score follows the second slash and is shown as 't'=try, 'c'=conversion, 'p'=penalty, 'd'=drop goal, e.g. AN Other/7/t2c3p4d – assume one unless otherwise indicated. The dagger (†) indicates it was the player's first season. These conventions are used in all three publications.

home advantage for the semi-final when they played Essex also at Bournemouth the following weekend. Despite being reduced to fourteen men after just fifteen minutes, D&W nonetheless recorded a handsome 61-37 win which saw them through to their second successive final. They then repeated last season's success with a 43-22 win

over Surrey with Frazer Wilford and Scott Chislett (repeating his success of last year) both scoring a try. All in all a good day.

I should like to express our thanks to groundsman Derek Tapper and Gavin Fisher who worked so hard to make sure the pitch remained playable especially during the exceptionally dry Spring. Essex, in particular

expressed their grateful thanks for not having to play on a rock-hard surface that they had been used to.

Please note that the opinions expressed in this Year Book are those of the editor and do not necessarily correspond to those of the Club.

Introduction

The season has been overshadowed by the death of Sam Yarwood, who died in a tragic canoeing accident on Lake Ullswater on Wednesday, 6 April 2011. Originally from Birmingham, Sam only joined us in the close season

having followed his girlfriend Rachel down from Cardiff, where they both studied for three years. He was first selected for the 1st XV two games into the season and scored on his debut at Weston-super-Mare. He then set about rewriting the record books. The first was scoring in ten successive matches and that was from debut. He overtook Sam Hardcastle's record of 25 tries in a league season finally finishing up with 27 (scoring 30 in all matches). In just one abbreviated season, he scored three times as many tries as the next best right wing did in a career. He was a remarkable finisher; strong, quick, long striding and with a jink that left 'would be' tacklers floundering in his wake if hadn't already handed them off. However it wasn't just about scoring tries and breaking records, he was just a great all round bloke. Modest and with a great sense of humour, he readily made friends and quickly became an important part of the team. He also, equally quickly, became a favourite of the crowd at Chapel Gate who were thrilled by his scoring feats and charmed by his modest smile as he looked up at the stand in acknowledgement of the applause as he made his way back after scoring yet another try. Never any histrionics—just a love of what he liked doing best. His death was shattering for the team and everyone at the club. Oxford Harlequins, whom we were scheduled to play the Saturday following his death, were most sympathetic and fully respected our decision not to play the game, as were the RFU. The response from the rugby world was astonishing with messages of sympathy pouring in from all over the country. A Moseley club member, who happened to be at Ullswater, laid a wreath with the colours of the three main clubs in his rugby life: Camp Hill (as a junior), Moseley (as a colt) and ourselves at the spot where Sam died. Two coaches travelled to Birmingham for the funeral to join hundreds of others at the church for the service. An e-mail from Martin Johnson expressing his condolences was read out before the service started. After his cremation a wake was held at Moseley Rugby Club where these many people were able to at least share their grief. John Yarwood and his two sons, Ben and Jacob, two of Sam's best friends and his girlfriend Rachel and her mother Jinny came to the Annual Dinner where for the first time a Players' Player of the Year was chosen and Karim Lynch was awarded the Sam Yarwood Trophy. In addition, Rugby Roundup commissioned a special trophy to commemorate Sam scoring the highest number of tries in National 3 South West in the season which was presented to Sam's father John by Director of Rugby, David

Dunn. Chairman Denis Eveleigh read out a short address on behalf of Mike Kind (of Rugby Roundup).

The tragedy of Sam's death made everything else irrelevant. Nonetheless it was the most successful season the club, at least in league terms, has ever had. We eventually finished second in the division and for a brief period in January and into February were actually top. Coming second meant we played in the South play-off against Hertford where we lost 22-23. We won the Dorset & Wilts Cup for the fourth successive time, equally our effort in the seasons 1977/1978-1980/1981 but it is clear we are presently much stronger than local opposition.

After the intensive pre-season of last season it was decided not to do so much this. However, the opportunity to go to Cardiff was missed and eventually we only had the one 'warm up' match which was against Havant. This arguably proved to be not enough preparation and it was felt that we were 'under cooked' for the first league match when we lost away to Redingensians 9-13. However four wins 'on the trot' in close matches saw us climb to third. We were 'knocked back' by a close loss at Chinnor when a late penalty, the only score in the second half, was enough to dash our hopes of a first win ever at Kingsey Road. Significantly we weren't scoring any try-scoring bonus points which was to become crucial later in the season. We then had a record breaking run of fourteen successive wins including a historic win 24-21 away to Hartpury College in the first ever encounter between the two clubs. We were also beginning to win those try-scoring bonus points. In fact we only to failed win one on two occasions in the last seventeen matches of the league season. It was not winning a bonus point against Old Patesians that enabled Hartpury to take over once again at the top. Any ideas we might have had of winning the division had a rude shock when Hartpury visited us in early March. They came down determined not to suffer the same fate that had been visited upon them back in November. Nonetheless we retained second spot and strong wins particularly against Redingensians which was played in that distressing period after Sam's death and before his funeral the following Tuesday. We held a minute's silence before the game as we said farewell to Sam.

In the absence of any national cup competitions, it was the D&W Cup again that leavened the league season. We had a bye in the quarter-final and met Oakmeadians in the semi-final where we had a rare treat of a home tie. We played on the Friday night, Guy Fawkes night, under lights which I believe was a first for a D&W Cup match, certainly for us. Whatever, Oaks got scorched in the fire of Bournemouth's outstanding play. This set up, for the fourth successive season, a final against Swanage & Wareham who were appearing in the

final for the sixteenth successive season—a remarkable record! We went back to Dorchester for the final and again denied Swans the chance to get their hands on the cup for the fourth successive time and in similar convincing fashion to last season. For the second successive final a hat-trick was scored this time by Dan Connolly. With only five teams eligible for the competition and one of those, Chippenham, withdrawing, the D&W Cup is a pale shadow of its former self with old rivals like Salisbury, Dorchester, Swindon, Sherborne ineligible to play. At least Salisbury, after their bounce back from Southern Counties South should be in the mix for next season.

The Seconds (Nomads) had a much more satisfactory season competing in the Solent Merit Table organized by Hampshire RFU for 2nd XV's and very narrowly missed out on winning it. However they successfully defended the D&W 2nd Team Cup in a close match against Swanage & Wareham at Bestwall.

The newly promoted Thirds (Wanderers) finished fifth bottom in D&W 1 South but were playing teams that, until relatively recently, we were playing at 1st XV level. However their defence of the D&W 3rd XV Cup ended in the first round when they inexplicably lost to Weymouth.

Although at times it was a struggle, again we fielded a regular fourth team (Bedouins) who competed in D&W 3 South, finishing second bottom. As last season, captain Craig Dean worked so hard to make it work this time supported by brother Lee.

We entered a couple of teams into the Lytchett 7s. The second team got to the final of the plate competition, the highlight of which was a try scored by Josh, son of Jon Sanchez, with a mazy run through a number of despairing tacklers. However, with another very fine display of 7s play, the first team won the Cup competition, beating last year's semi-finalists Fordingbridge by the same score we dispatched the Rifles team in last year's final 47-0.

During the season a 1st XV Honours tie was awarded to Tomas Ford but unfortunately Tomas has moved to Beckenham with his job.

The Mini/Midi Tournament continues to be a great success and the separate Youth tournament staged on the Saturday continues to attract many teams with the result that some 3,000 players were involved over the two days.

Seven Bournemouth players were involved in the D&W Senior squad defending the County Championship Shield, six playing in the final. There were four pools, the winners of which going into a semi-final with the final being staged at Twickenham as a precursor to the England v Barbarians game on Sunday, 29 May 2011. Having won 33-26 away to Berkshire and 54-12 against Oxfordshire at Bournemouth in Pool 3, D&W for the second successive season had

Sam Yarwood died in a canoeing accident early in the morning on Lake Ullswater. He was attempting to paddle the length of three lakes, we believe Ullswater was the first, when, in choppy conditions, he capsized. His companion managed to reach the shore and raise the alarm despite suffering from hypothermia himself. Sam was found floating in the lake somewhere between Glenridding and Watermillock by the local rescue service and was airlifted to Penrith hospital. However all attempts to revive him were in vain and he was declared dead at the hospital. Subsequently Alan Williams, a member of Moseley RFC, placed a wreath, adorned with ribbons in the colours of the three clubs with which he was most associated; Camp Hill, Moseley and Bournemouth, at the spot where Sam was found. The funeral was held on Tuesday, 19 April at his local church in Birmingham and, after his committal, a wake was held at the Moseley club.

Saturday, 9 April 2011 – National 3 South West v Oxford Harlequins

The match was cancelled in respect of Sam's death..

Saturday, 16 April 2011 – National 3 South West v Redingsians Rams 42-10

There was a minute's silence before the game in memory of Sam Yarwood.

Spectacular rugby provides a fitting testimonial for Sam Yarwood.

Overall Scoring Record: P4, W4, D0, L0. Points For: 191, Against: 97.

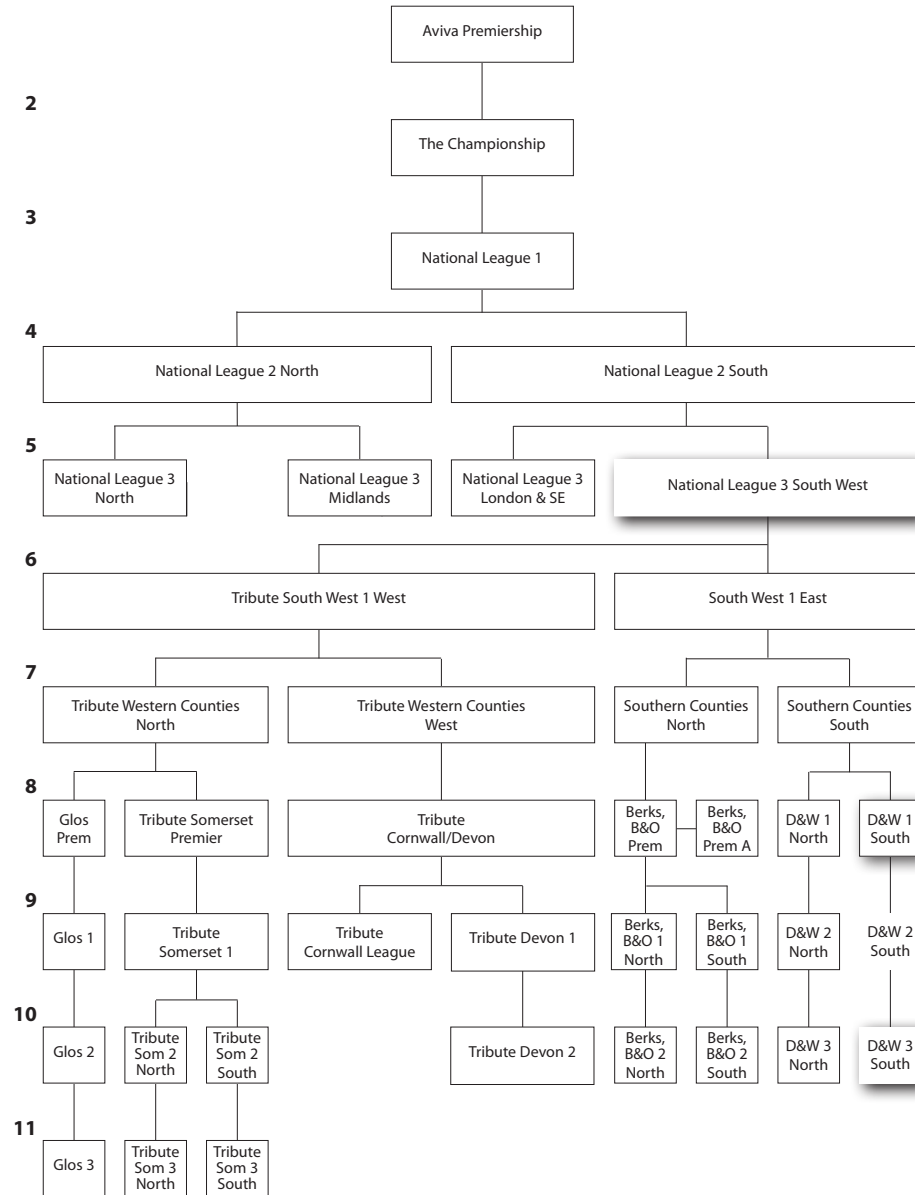

After a slow start with a Surrey pack dominating the set-pieces, scrum half Steve Munford being driven over for an early 10-nil lead, Dorset & Wilts began to exert themselves with tries by hooker Frazer Wilford forcing his way over and fly half Adam Westall 'stepping through' the Surrey defence from ten or so metres out. Fly half Matt Noble was given a number of chances to kick for goal and he got his side within just one point of the Twin Counties with the last kick of the half. Early in the second half, lock Robert Lyons was 'yellow carded' and Noble kicked the resulting penalty to restore his side's early lead at 17-19. Despite being a man short, Lewis Warner, on for left wing Christian Norvik, scored an excellent try and the reliable Westall added the two points to restore the Counties's lead at 24-19. Noble almost immediately reduced the arrears with his fifth penalty

but by this time Dorset & Wilts were beginning to dominate. A great break by the restored Robert Lyons, who ran some sixty metres before being hauled down, lead to Tom Baldwin's first try. Then tremendous pressure on the Surrey defence saw them giving up the ball and a surprised Scott Chislett was able to pick up the ball to run through a non-existent defence from just a few metres out. A second Baldwin try with Westall's kick hitting the upright finished the scoring to register a convincing win in the end which didn't seem very likely at the beginning.

Coach Si Culley and his team again worked so hard to register success for a second time which is always much more difficult as being the defending champions others look to 'turn them over'.
Doug Warren, Ed.
