Section Policy on Calling the Emergency Services

Reviewed: 16th November 2010.

When the emergency services are called to the club it is necessary for the club to be made aware.

As the club needs to record such events, it is necessary for the sections to alert the club of this occurrence at its earliest convenience, by no later than 6pm the day after the accident.

The club can be made aware by either informing the bar supervisor or the receptionist, or by emailing the club the details.

Details required include;

- Name of injured party;
- Time;
- Date of accident;
- Sport participated in;
- Pitch reference;
- General information regarding the injury (what happened and how).
