## **Sam Yarwood**

Try-scorer Extraordinary  
25 September 1988 – 6 April 2011

*This almanac is dedicated to Sam Yarwood who tragically died in a canoeing accident on Lake Ullswater early on Wednesday, 6 April 2011. Originally from Birmingham, he was with Bournemouth only for a short while; from pre-season this season. However he quickly made his mark as a great bloke and as a remarkable try-scorer—setting a number of club records including a league-season best of twenty-seven tries. He died pursuing another of his passions—the great outdoors, the Lake District being a particular haunt of his. On this occasion he was attempting to paddle the length of three lakes in a day when he capsized in choppy conditions. He will be sadly missed both as a player and who he was as a person. The name Sam Yarwood, to be found throughout this almanac, is a fitting testimony to a great player.*

### Almanac 2010/2011

A, albeit incomplete, record of all games played by the Bournemouth RFC 1st XV up to and including season 2010/2011.

In the text, the player's position and score are immediately behind his name, delimited by a pair of slashes (/). The position, 1–15, (the modern numbering convention is used throughout) is behind the first slash, e.g. AN Other/13. There are two variations to this general rule: Firstly, '/nC' indicates the player in position 'n' was captain. Secondly, '/Sn' or '/Rn' indicates the player 'came on' as a Substitute or Replacement in the position 'n'. The player's score follows the second slash and is shown as 't'=try, 'c'=conversion, 'p'=penalty, 'd'=drop goal, e.g. AN Other/7/t2c3p4d—assume one unless otherwise indicated. The dagger (†) indicates it was the player's first season. These conventions are used in all three publications.
